Puppy:_____

Breeder: Jennifer M Thompson

Sire:_____ AKC #_____

AKC DNA #_____

Dam:_____ AKC #_____

New Owner:_____

1) Puppy will be AKC registered to

(owner) with the agreement

A return puppy from a future/current litter from the above-mentioned owner will be transferred from the owner's names above. Once a returned puppy is transferred, full AKC rights are transferred to the above-mentioned owner. The breeding must be between two AKC-registered dogs of quality conformation. No serious faults will be considered as a quality confirmation.

2) Jennifer M Thompson will get a pick of the litter, either a male or female puppy from a breeding pair of like quality and conformation. The Return puppy will be transferred to Jennifer M Thompson with Full AKC rights.

3) No puppies from the above-mentioned dog litters will be registered with AKC until a return puppy has been transferred to Jennifer M Thompson.

4) The returned puppy will be of good health and will receive proof of proper shots and worming before being transferred to Jennifer M Thompson, as will the above-mentioned puppy when they are sent to you. A 3-day period is provided to have the puppies checked by a veterinarian upon receipt of a guarantee that the puppies are, in fact, in good health. If an issue is found, a replacement puppy will be offered from the next or current litter.

5) Any expenses involved in the breeding or care of the above-mentioned dog will be solely the responsibility of the above-mentioned owner. This includes, but is not limited to, a section if necessary.

6) Each breeder will prepay the AKC registration fee for their puppy before it is traded off via mail-in AKC or AKC E-Z Registration. The puppy will then be registered through the AKC and transferred to the new owner free of charge.

7) No offspring or future offspring of either puppy mentioned in this contract is to be sold at auction, pet store, or placed in an animal shelter and or puppy mill. 8) Puppies mentioned above and future offspring shall also under NO CIRCUMSTANCES be used in dog fighting, dog baiting, or any other activities that can be deemed cruel and/or abusive.

8) **Stud Fee in Place of Puppy:** Should the Stud Owner decide not to take a 'pick of the litter' puppy, the Dam Owner agrees to pay a stud fee equal to the full sale price of a 'pick of the litter' puppy. This fee is due and payable upon the Stud Owner's final decision.

9) **Live Litter Guarantee:** If no pregnancy results from the initial breeding, verified by a veterinarian, a free re-breeding will be provided on the next available heat cycle for the same female. If the same dam is no longer available or suitable for breeding, the Stud Owner has the option to apply this re-breeding to another approved female.
